

MAY SIM

May Sim is the region's premier **Psychological Astrologer**, and is known for her **dynamic personality, stage presence** and a **razor-sharp wit**, drawing speaking engagements with audiences of hundreds at **Facebook, Fortinet, Omega, RADO, Hansgrohe** and **government organisations** like the **Health Sciences Authority and E2i**.

She is the first Asian to graduate from the **International Academy of Astrology (Cleveland, Ohio)**, she is now a member of their faculty, and the author of their syllabus for Psychological Astrology.

Founder of her own astrology academy, Selfstrology Academy, is **Asia's #1 psychology astrology academy**, and has trained **hundreds of astrologers around the world**, from as far as **Brazil, Ukraine and Switzerland**.

Her personal experience the courage to move away from a successful career as a **General Manager at the age of 24** in Height Safety company, to **pursue a unique profession in Astrology** has inspired many others to have the similar confidence to do so in their careers.

May is extremely passionate about topics relating to careers and how unique individuals should fully pursue and **use their strengths to achieve personal fulfillment**, as described in their astrological profiles.

Many of her clients and students are **top executives, business owners, entrepreneurs and coaches** who currently find **dissatisfaction in their careers** wishes to move towards **empowering and transformative growth** in their work.

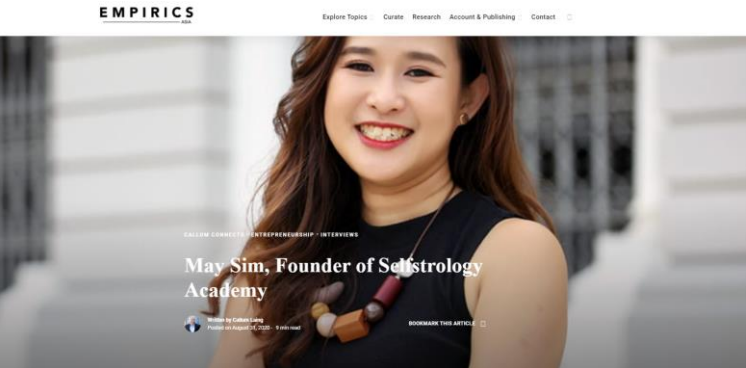

02 | PAST MEDIA FEATURES

*not limited to this list of topics

03 | INTERVIEWS, WEBINARS & EVENTS

Over the years, May Sim has been regularly interviewed by **journalists and social media influencers**. Her **practical critical-thinking abilities and controversial insights**, help shed a fresh and unique perspective on matters like **current affairs, macro-economic factors, community and social psychology**.

Many past interviewers shared the appreciation for her **no-nonsense, 'no fluff', down-to-earth perspectives** as opposed to the stark difference they see with other spiritual-type practitioners in the industry.

Apart from external interviews, May has also conducted multiple public events and webinars, **generously sharing her astrological analysis on global trends and shifts**, which have **significant impact** to the **general public and community at large**.

Past webinars had made a difference to:

45,000+ VIEWERS

28 COUNTRIES

8 WEBINARS, 42+ HOURS
